

CROWN FINANCIAL MINISTRIES
SOUTH AFRICA

Monthly Focus: August 2010

From the desk of Handré de Jongh...

July has been a busy month in the Crown Office. With the schools starting halfway through the month, we were very busy with **Career Direct** assessments by helping scholars and students finding their passion and purpose for living! Career Direct is a wonderful tool that the Lord has given us to help individuals with planning their futures. For more information visit us at <http://crown.org.za/l/southafrica> and click on Career Counseling (Career Direct).

Bible On Money Seminar at Sasolburg

Crown had the opportunity to present **The Bible on Money Seminar** to the leadership of *The Christian Family Fellowship* in Sasolburg on the 24th of July. It was a wonderful day spent with 34 people that were hungry for the Word of God on the subject of stewardship! We look forward to a long and fruitful relation with this wonderful group of people! We would like to encourage churches to contact us with regards to *The Bible on Money Seminar* as a springboard to a ministry of stewardship in their congregations.

Crown has also entered the **God Provides** individual short films into the *International Christian Film Festival* that runs concurrently with *The Lausanne Congress* to be held in October in Cape Town. Please pray and trust with us that the short films will reach an audience and so spread the message of Godly Stewardship!

- Ephesians. 2:10

The truth can set you free to do those "good works", not to earn your salvation but as an appropriate response to the grace of God in your life...
