

CROWN FINANCIAL MINISTRIES
SOUTH AFRICA

Monthly Focus: February 2010

From the desk of Handré de Jongh...

February has been an awesome month in the life of **Crown Financial Ministries SA**. We are excited to serve the body of Christ, whether in church, business or family life. Crown SA and the Marketplace side of Crown Africa will be hosting a series of **Marketplace Conferences** across 6 cities in South Africa during the month of May. The enthusiasm from the Marketplace Sector is overwhelming and we are looking forward to great events. We want to encourage all people in the marketplace sector to visit our website www.crown.org.za/ls/southafrica and view the events menu to see the dates of the conference in or close to your area.

God Provides

The **God Provides short films series** will be launched in the second week of March in South Africa. We are so excited with this project! The series of biblical stories will open a new way of looking and reading the Bible. It is bound to challenge areas in your life that need to come under the rulership of Christ. This series is a learning experience for churches, families and businesses. They are encouraged to get a set and start using this awesome new tool God has released to His children. To view the trailers of this series, visit www.crown.org.za/GodProvides

Small Groups

The **Small Group Study** continues to be a great tool the Lord is using to equip His children. New churches are getting onboard every month and we are delighted to see the hunger in these churches to learn more about God's Economy.

How Do I Make it to the End of the Month? is a huge hit in South Africa under the church fraternity. The course is presented in class format over 4 or 8 evenings. The impact is huge and we stand amazed to see God using this tool in South Africa.

Career Direct

14 New consultants were trained this month in Johannesburg from the 10th to the 12th. It was a wonderful training in terms of the quality people the Lord added to the ministry of Career Direct. We are continuing to serve South Africa with this Godly tool and we are sometimes more blessed than the clients!

CareerDirect Training.
