

Monthly Focus: May 2010

From the desk of *Handré de Jongh...*

What an interesting, strange, sad and exciting month April 2010 has been! From the Rand that has gained against foreign currencies, to people being murdered, volcanic eruptions in Iceland that brought travel to a halt and the Soccer World Cup almost here! Amidst all of this, God is and will always be in control of everything, because He owns everything and will ultimately provide in all things...

During April the last **Mighty Men Conference** took place at Shalom Farm, Greytown. What an awesome experience as between 300 000 and 400 000 men worshipped the Lord together in one place! Crown SA had the privilege to show the trailer of **God Provides** on the Sunday morning. We had a fantastic response of people wanting to get this awesome product and tool in their houses. It is our goal at Crown to get this product in 100 000 homes in South Africa. Imagine the Word in audiovisual form washing the hearts and lives of thousands of people in this country!

Thought For The Month

FELLOWSHIP AFFIRMS OUR IDENTITY (based on Gal.6:2)

The uniqueness of our individual identity emerges as we build relationships with others. The individuality becomes clearer after we are married, thus the reason for many wives who would like to change their husbands! Our individuality comes in relationship to others – God, our family & fellow believers. **L Köhler** said it well:

"Ein mensch is kein mensch." (*One man is no man*)

Our human nature & divine purpose are not fully realised except in sharing our lives with others!
